

By the Light of the Moon

Audition Notice

Full House Theatre is looking for two performers – one male and one female - to join our ensemble for *By the Light of the Moon* which will run from 14th October – 25th November 2017 in Luton and 28th November – 2nd December in Leicestershire, with a spring tour from March to May 2018, weekend and holiday dates.

Summary

Full House Theatre is one of the UK's foremost companies creating vibrant and innovative work for children and young people and we're looking for performers to join our ensemble for *By the Light of the Moon*, which will be performed in community spaces from 14th October – 25th November 2017 in Luton and 28th November – 2nd December in Leicestershire.

Our approach to making work is collaborative and inventive. We're looking for artists who can contribute to this process. We also strive for excellence so we need our performers to have great acting ability, versatility and a strong singing voice. At this stage in the creative development of the work we're open to artists with additional skills too, like playing a musical instrument, circus skills or puppetry.

We particularly welcome submissions of performers of all ethnicities and cultural backgrounds for this role and actively support Equity's Inclusive Casting Policy. We believe inclusive casting is crucial to achieve a balanced portrayal and a realistic and authentic mirror reflection of UK audiences.

Gender: Male and female
Playing age: 18 – 40
Pay: Above Equity Minimum
Appearance: Any
