

# DAY DREAMERS

DAY DREAMERS IS A HIGH IMPACT AND COLOURFUL OUTDOOR PERFORMANCE CREATED BY LEADING CHILDREN'S THEATRE COMPANY FULL HOUSE THEATRE. ORIGINALLY COMMISSIONED BY IMAGINE LUTON IN 2017.

PARTICIPANTS JOIN IMOGEN STRETCHER, THE FICTIONAL MASTERMIND BEHIND DAY DREAMERS, AS SHE GUIDES THEM THROUGH A HILARIOUS INTERACTIVE AUDIO EXPERIENCE. PARTICIPANTS' IMAGINATIONS WILL BE STRETCHED TO THE MAX!

## PROGRAMMING INFORMATION

- Day Dreamers is designed to be performed outdoors in open spaces, such as a school playground, town square, park, high street and at festivals.
- Day Dreamers is performed by two performers and tours with 1 technician. No additional technical support is required.
- The experience begins with a 13 minute interactive performance from Imogen and her assistant Pat. Participants are then kitted out in dressing gowns and divided into 3 groups of up to 20 per group to enter the 'Day Dream Arena'. Each group will then hear a different story on individual wireless headsets where they will be encouraged to sing, dance and make silly shapes with their bodies, before coming together at the end.
- Audiences are active participants.
- We travel with the set in a transit van which then becomes part of the performance space. Additional set and props include bunting, feather flags, pop up banners, a rocking chair, a bench, a bicycle, a buggy and a small platform which comes out of the back of the van.
- Playing space can be flexible; from 7m x 7m to 20m x 20m.
- Day Dreamers tours with its own PA/sound system and 60 wireless headsets.
- We require access to mains power.

## MARKETING COPY

We all know that the best stories are told at bedtime, but did you know that outside your bedroom there are hundreds of day time stories waiting to be told?

Our audience will be given a set of headphones and invited to take part in a day dream, hearing stories and being inspired by the environment around them. Set to a soundtrack of both popular and atmospheric original compositions.
